

Hyde Park – Kelly Field

From 95 South/128, take Exit 14 (East Street). Follow to the rotary (1 mile) and turn right onto Sprague Street. Follow for 2 miles. Sprague Street turns into Milton Street, and then further on changes to Neponset Valley Parkway ending at River Street. Travel 1/10 of a mile on River Street then take a left onto Turtle Pond Parkway. Bajko Rink is on your right as is the field.

From South of Boston, if you are coming from Rte. 24 North or Rte. 95 North up from Rhode Island, take 93 North. Take Exit 2B (Milton/Canton) off of Rte. 93. If you are coming from Rte. 3 North, take 93 South to Exit 2B (Milton/Canton). The exit brings you onto Rte 138 North. Go through 2 sets of lights and at the bottom of the hill after the 2nd set take a left onto Neponset Valley Parkway.

Stay on Neponset Valley Parkway to Wolcott Square, Readville. You will pass the Milton Nursing Home on your left, where you have to bear right then left over Paul's Bridge. You will then pass the Truman Highway on your right and further up the Readville Fire Station on your left.

At Wolcott Square lights (BP Gas Station on left/Felicia's Restaurant on right) you will have to bear right under railroad bridge. Readville MBTA station will be on left.

Take first left over Father Hart Bridge. At the end of the bridge take a right. Continue on this road past the Storage Facility, bearing left at the old Westinghouse plant, passing Collella baseball field and playground. At stop sign bear right onto River Street and cross over the Muddy River Bridge. Kelly Field will be ahead on your left.

The Sprague St bridge is closed.

At rotary on East St : Sprague St is 1st right and Cedar St splits to the left. Take Cedar St ,when you reach the stop sign at Oakdale Sq turn right this takes you to River St follow River St to Kelley Field on left. After going around a bend in the road you will see a cement wall with a chain link fence turn left this is Kelley Field
